Steps to finding the Autopilot links found by the BrightEdge crawler:

1) Log into BrightEdge Platform: https://brightedge.com/secure/login

2) On the bottom left hand navigation bar, click 'Settings':
3) Scroll down to the *Product Settings Section* and click **'Link Equity Manager'**.
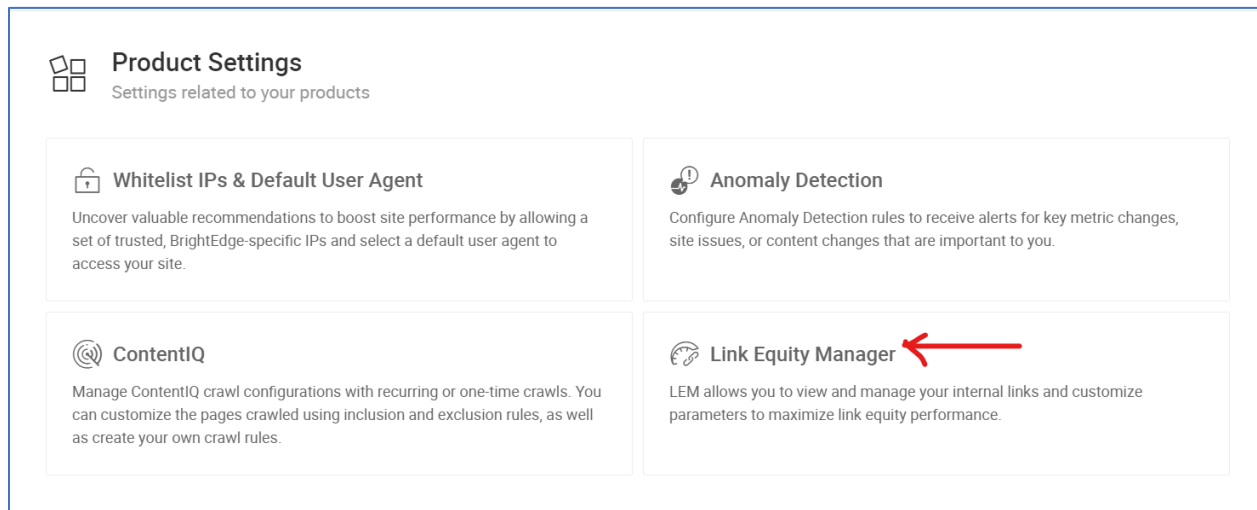

4) Click on the blue button named '**Preview And Deploy→**'

5) You will have the option to switch to 'view by links' or 'view by pages'. We recommend sorting by '**view by pages'.**
